Achievements

Awarded the Alumni & Friends Milton Glaser

Graphic Art Award - Demonstrated excellence in graphic arts in 2022

Experience

Lazard – Data Analytics Sprintern

January 2024 - 1 Month

- Developed data visuals from a dataframe onto a webpage
- Furthered UI design expertise by formatting the webpage's layout to reflect Lazard's professional image
- Refined competency in analyzing and querying data from a database using SQL

LinkedIn – Software Engineer Sprintern

January 2023 - 1 Month

- Collaborated with four other interns to create a Click-Tracking Website
- Elaborated on UI/UX design skills when designing the layout for the website

Projects

Complementary

July 2024 - August 2024

- Sole UX Designer and generalist to a conceptual Public Art Museum Advertisement App
- Utilized the design thinking framework to design a user centered and accessible dedicated mobile app

True Healthcare Assistance

June 2024 - July 2024

- Sole UX Designer and generalist to a conceptual Healthcare Assistance App
- Used the product development life cycle to build an inclusive and equity focused responsive web and dedicated mobile design

Stellar

May 2024 - 1 week

- Sole UI Designer and web developer to a conceptual start up company for stickers and stationary items
- Designed and developed a responsive website in the span of one week
